

IMPORT TARIFFS AS A GEOPOLITICAL WEAPON

Why does Trump want to impose new tariffs on certain European countries from February onwards?

Why do the countries concerned (and, by extension, the entire EU) disagree?

What can the EU do?

+ Change Trump's mind

+ Not approve the trade agreement

+ Retaliate/ Bring out the bazooka

IMPORT TARIFFS: OK or NOT OK?

Case 1: shrimps

Case 2: soybeans
